

*Silver Street, Inc.*  
*Environmental Policy Statement*

---

**Silver Street, Incorporated** is committed to managing environmental matters as an integral part of our business. In particular, it is our policy to assure the environmental integrity of our processes and facilities at all time and in all places. We will do so by adhering to the following principles:

- **Legal Compliance** – Strive to ensure that our products and operations will comply with all applicable regulations and requirements.
- **Product Stewardship** - Employ management systems and procedures specifically designed to minimize the use of hazardous material, energy and other natural resources, to minimize the generation of waste, and to enable recycling and reuse of materials.
- **Continual Improvement** - Continually seek opportunities to improve our environmental performance by establishing objectives and targets, measuring progress, and reporting our results.
- **Involvement and Communication** - Promote participation and communicate our commitment to responsible environmental management by promoting environmental responsibility among our employees; by providing the necessary training and support to enable them to implement this policy; by informing suppliers of our environmental policy and encouraging them to adopt effective environmental management practices; and by soliciting input from our employees, suppliers and customers in meeting our environmental goals.

The policy applies to all employees, departments and functions throughout the Company. The full participation of everyone is expected and necessary in order to meet the commitments set forth in this policy.
